Quick Start Guide

Welcome to HomeMate

Follow the quick start steps to complete your ORVIBO smart device set up and enjoy the smart features we have built for you!

Need more help?

Visit www.orvibo.com/support for user guides on Alexa and Google Home connection, plug time & schedule settings, FAQs and Warranty. Customer service email: info@orvibo.com

- Download HomeMate**
 Install the ORVIBO HomeMate app from Apple App Store or Google Play; Create your account after the app is downloaded.

- Add the device to HomeMate**
 Tap the "+" button on the top right of the HomeMate app; Select the device type, then tap your smart plug in the list; Power up the plug by just plugging it to a wall outlet; Press and hold the plug's button down till the light blinks red; Tap Next
- Configure Wi-Fi connection**
 Follow the in-app instructions till the plug is added successfully. Tips: If you have 5GHz Wi-Fi, be sure to connect your mobile device to 2.4GHz Wi-Fi first. Then login to HomeMate, select 2.4GHz Wi-Fi from the Wi-Fi dropdown list at the step of Configue Device Network. Type in your Wi-Fi password. Tap Next to allow the completion of Wi-Fi connection.
